Template

TEARDROP FLAG • 33"X71" DOUBLE SIDED

✓ Image

Artwork should be a vector PDF or images at 300dpi to avoid pixelated images. Please don't forget to embed all images.

Colour

Set your colour profile as CMYK instead of RGB, which cannot always be replicated. We **cannot** be responsible for variances in final printed colours. Printed samples are available at an additional cost.

Save File as PDF

Save files as PDF or Al (Adobe Illustrator) files.

Please outline all fonts and delete guidelines!

Additional Files

Please provide all font files and original image files if any editing is required. All PDF images must be embedded in the document.
