

CANVAS

• 12" x 12"

 **BLEED AREA (14.25" X 14.25")** 

Make your artboard at this size. Make sure your background extends to fill the whole bleed area to avoid white edges!

 **FRAME SIZE (12" X 18")**

This is where the edges of the front of your image will sit.

 **Image**

Artwork should be a vector PDF or images at 300dpi to avoid pixelated images. Please don't forget to embed all images.

 **Save File as PDF**

Save files as PDF or AI (Adobe Illustrator) files.

Please outline all fonts and delete guidelines!

 **Colour**

Set your colour profile as CMYK instead of RGB, which cannot always be replicated. We **cannot** be responsible for variances in final printed colours. Printed samples are available at an additional cost.

 **Additional Files**

Please provide all font files and original image files if any editing is required. All PDF images must be embedded in the document.
