

SINTRA SANDWICH BOARDS • 18.75" X 23.5"

 **BLEED AREA (19.5 X 24.25")** ⚠️

Make your artboard at this size. Make sure your background extends to fill the whole bleed area to avoid white edges!

 **CUT LINE (18.75" X 23.5")**

This is where we aim to cut in production.

 **SAFE AREA (18 X20)**

Make sure important aspects of your design like text and logos are inside the safe area to avoid being cut off.

✓ **Image**

Artwork should be a vector PDF or images at 300dpi to avoid pixelated images. Please don't forget to embed all images.

✓ **Save File as PDF**

Save files as PDF or AI (Adobe Illustrator) files.

Please outline all fonts and delete guidelines!

✓ **Colour**

Set your colour profile as CMYK instead of RGB, which cannot always be replicated. We **cannot** be responsible for variances in final printed colours. Printed samples are available at an additional cost.

✓ **Additional Files**

Please provide all font files and original image files if any editing is required. All PDF images must be embedded in the document.
