

SIMPO SANDWICH BOARD

• 22" x 28"

Bleed area (23" x 29")

Make your artboard at this size. Make sure your background extends to fill the whole bleed area to avoid white edges!

Cut Line (22" x 28")

This is where we aim to cut in production.

Safe area (21.5" x 27.5")

Make sure important aspects of your design like text and logos are inside the safe area to avoid being cut off.

✓ Image

Artwork should be a vector PDF or images at 300dpi to avoid pixelated images. Please don't forget to embed all images.

✓ Save File as PDF

Save files as PDF or AI (Adobe Illustrator) files.

Please outline all fonts and delete guidelines!

✓ Colour

Set your colour profile as CMYK instead of RGB, which cannot always be replicated. We **cannot** be responsible for variances in final printed colours. Printed samples are available at an additional cost.

✓ Additional Files

Please provide all font files and original image files if any editing is required. All PDF images must be embedded in the document.
