

## RACK CARDS

• 4" x 9"

### BLEED AREA (4.25" X 9.25")

Make your artboard at this size. Make sure your background extends to fill the whole bleed area to avoid white edges!

### CUT LINE (4" X 9")

This is where we aim to cut in production.

### SAFE AREA (3.75" X 8.75")

Make sure important aspects of your design like text and logos are inside the safe area to avoid being cut off.

### Image

Artwork should be a vector PDF or images at 300dpi to avoid pixelated images. Please don't forget to embed all images.

### Save File as PDF

Save files as PDF or AI (Adobe Illustrator) files.

**Please outline all fonts and delete guidelines!**

### Colour

Set your colour profile as CMYK instead of RGB, which cannot always be replicated. We **cannot** be responsible for variances in final printed colours. Printed samples are available at an additional cost.

### Additional Files

Please provide all font files and original image files if any editing is required. All PDF images must be embedded in the document.
